I seek refuge in Allah from the accursed Satan

(And We have put a bar in front of them and a bar behind them and further We have covered them up so that they cannot see)

God the Most Great is Truthful

May my Lord's mercy be with us and our messages with His permission

Thank you my brother for the strong faith and the trust in the Almighty Allah my brother I tell you Allah willing we will be from among those of paradise in the afterlife and Allah willing Allah will place it in the balance of your good deeds and give victory to every oppressed or usurped Muslim O' Allah liberate Palestine O' Lord of the universe help us to perform the jihad in Your religion and I say the vow and repeat as my Shaykh and beloved Commander Allah prolong his life has said ... By Allah we will make you victorious even if we were to crawl on our knees or experience what (Hamzah Ibn 'Abd-al-Muttalib, may Allah be pleased with him) had experienced

Firstly : My physical ability is excellent and athletic with potential for improvement fast runner and quick-witted as for the muscular strength I am in the process of building it Allah willing

Secondly : Yes my brother I have a passport from my country of birth... As for the country in which I currently reside I don't own a passport however I will get it soon

Thirdly : Yes I am single and not engaged and I am not thinking about a commitment however I do think about working for Allah the Almighty and Allah willing achieving the goals that please Allah the Almighty and relieve the sufferings of the oppressed nation Allah willing I think that a maiden from the maidens of Paradise is more sufficient unto me than the women of the world

Fourthly : As for being away from the family my mother has died Allah have mercy on her and there is my father may Allah prolong his life he is able to sustain the family and I think that it will not be a problem when he finds out one of these days that I was one of the mujahidin although he doesn't have any suspicion in the matter because I have been away from my family for two years but he somewhat knows that I love jihad matters and the destruction of the apostates and the forthcoming conquest.... Allah willing

Fifthly : I don't need any kind of medicine Allah willing my health is good thanks be to Allah

I would like you to answer my question if you can although I know that it is impossible but I will not retract the jihad is a jihad wherever it is my brother but I want you to understand me and be in the same rank that I am with

Do you love Shaykh U S A M A H?

If you do or don't I will not object and I have no problems but do you think that one day I will be able to join his forces and at the end be from among the helping hands?

And this is my only wish and if I can find someone to help me I would leave the world and what is in it behind me and run towards the approval of the Lord of the universe and my Shaykh on the footsteps of the Beloved Allah's peace and prayers be upon him and those of Salah-al-Din Al-Ayyubi Allah willing

And finally my brother I am sorry for the quick response and Allah willing we will be in touch until there is an opportunity when we can safely meet I am waiting for the reply

Allah bless you
